# WELCOME TO VIDHYALAKSHMI MATRIC-HIGHER-SECONDARY-SCHOOL

Our Vidhyalakshmi Matriculation Higher Secondary School is located on the Katpadi-Gudiyatham road in the district of Vellore. It is amidst 25 acres of picturesque greenery, offering a serene environment that fosters the joy of learning.

With an abundance of trees and the delightful chatter of birds, the natural surroundings provide an ideal backdrop for academic pursuits. The school prides itself on offering both Matriculation and CBSE curricula up to class 12, ensuring a diverse and comprehensive educational experience for all students.

Renowned as one of the best schools in the Vellore district, Vidhyalakshmi is dedicated to providing excellent education to every student who walks through its doors. Beyond its state-of-the-art laboratories for Computer Science and the sciences, the school features classrooms integrated with server-linked digital boards to enhance the learning experience. This commitment to infrastructure ensures that students have access to the latest tools and resources to enhance their learning experience.

Vidhyalakshmi has earned a reputation for academic excellence, with a remarkable track record of achieving state and district level ranks, awards, and shields. Beyond academics, the school offers a plethora of co-curricular and extra-curricular activities to enrich students' overall development. From singing, classical dancing, and karate to elocution, debate, and Math wizard competitions, students have ample opportunities to explore their interests and talents. Additionally, team sports like throw-ball, football, basketball, and cricket further promote teamwork and physical fitness among students.

The success stories of our alumni serve as a testament to the progressive, comprehensive, and value-added education provided by Vidhyalakshmi Matric. Higher Secondary School. Their achievements in various fields reflect the school's commitment to nurturing well-rounded individuals who are prepared to excel in both academic and professional pursuits. At Vidhyalakshmi, we are dedicated to empowering students to reach their full potential and become leaders of tomorrow.

# CORRESPONDENT'S MESSAGE

## On the Occasion of the 25th Year Silver Jubilee Celebration

**SHRI. S. ASHOKKUMAR**

**Correspondent**

Dear Parents, Students, Staff Members, and Well-wishers,  
It is with immense pleasure, pride and heartfelt gratitude that I address you all as we celebrate the Silver Jubilee of our esteemed institution. This milestone is not just a celebration of years, but a tribute to a glorious journey that began with the vision of our beloved Founder, whose dedication laid the foundation for two generations of educational service.

Since taking charge as Correspondent in 2010, I have carried forward this torch with a deep sense of responsibility and a clear vision for the future. The world around us is rapidly changing, driven by technology and innovation, and it is my firm belief that every child, especially those from rural communities, deserves access to quality education that prepares them for this future.

Our mission has always been to ensure that no child is left behind. We strive to provide an environment where students can learn, explore, and develop 21st-century skills that empower them to face the challenges of tomorrow. Whether it is academic excellence, character building, or skill development, we remain committed to giving our students the knowledge and opportunities they deserve.

This Silver Jubilee is a celebration of our collective effort—our dedicated teachers, supportive parents, enthusiastic students, and everyone who has stood with us through these 25 years. Together, we have grown, evolved, and built a strong educational community that continues to shine with promise.

As we step into the future, let us renew our commitment to shaping young minds and expanding the reach of education to every corner of our rural heartland. Let us continue to dream big, work hard, and uphold the values on which this institution was built.

Thank you for being an integral part of this remarkable journey. With your support, we look forward to multiple decades of dedicated service, sustained growth, and continued success.

# MESSAGE FROM MANAGING DIRECTOR

## DEAR PARENTS, STUDENTS AND WELL-WISHERS

A sense of responsibility and nostalgia washes over me when I remember the school's beginnings. I vividly recall the opening year: the eager parents, the enthusiastic students, and the unwavering dedication of the entire staff. Every individual, teaching and non-teaching alike, played a vital role in our successful takeoff.

On that day we promised that this school would be different from all other schools, at least in some small ways. We had enough students to start with. Now I am thrilled to see how the children had blossomed with their own style and self-confidence.

As I go down memory lane, I first acknowledge the blessings of God Almighty, who has guided and supported us through every difficult moment. I also gratefully remember the invaluable contributions of the many individuals who have played a vital role in our success.

Looking back at the performance of our students in their life after school in the past few years, we have every reason to believe that our dream has not been betrayed.

Congratulations to all the principals who have led the school. I would like to remind our students, and urge our teachers to teach them, that excellence and achievement come through dedication, integrity, and hard work.

Achievement, however great, attained without values and morals will not bring us love and happiness, which should be the goal of our life. Otherwise, achievement without values and morals will only create "bad" humans. I wish that the staff of our school produce "good" and "great" humans by educating them with values of life.

May the world see in us a spirit of love, compassion, tolerance, and unwavering respect for the rights and lives of all!

**Dr. M. A. Vidhyalakshmi, MBBS., MD**

MESSAGE FROM

# PRINCIPAL

## May the spirit of learning and unity always thrive here

Respected all,

Twenty-five years ago, a sapling was planted with a vision: to be a beacon of knowledge, fostering a love for learning, and empowering students to reach their full potential. Today, we stand beneath the shade of a large, strong tree, celebrating a quarter-century of educational excellence and countless success stories.

This exciting journey has been marked by visionary planning, sustained hard work, and a clear focus on our mission. The success we celebrate is a testament to the collaborative efforts of every stakeholder—our committed teachers, supportive parents, and the extraordinary students who have graced our halls.

As we reflect on our journey, we remember the shared experiences, the achievements in academics, sports, and cultural activities, and the values of respect, integrity, and compassion we have instilled. We are particularly proud of our alumni who have carried the school's glory to further heights and are making a difference in society.

As we look ahead, we will continue to strive for higher achievements, working harder and smarter to take our students to the next level of greatness. Let us celebrate the past, present, and future of Vidhyalakshmi Matric Higher Secondary School.

# SCHOLARSHIP

**PROVIDED TO STUDENTS**

Our school proudly supports education by offering scholarships to deserving students from diverse and challenging backgrounds. These scholarships ensure that no child's dreams are limited by personal loss, financial hardship, or social circumstances. With a strong commitment to inclusivity, our institution has contributed over ₹3+ crores in scholarships to empower young minds.

## HIGHLIGHTS

- Scholarships for single-parent children, orphans, and students who lost parents during the COVID-19 pandemic
- Special support for children of police and army personnel
- Financial assistance for local students living within 3 km of the school
- Merit-based scholarships for SSLC top scorers to pursue HSC education
- Support for third-child students and learners from rural areas.
- One of the few institutions to have awarded ₹3+ crores in scholarships, transforming lives through education

**SHOWCASING EXCELLENCE BEYOND ACADEMICS**

# THE CO-CURRICULAR CHRONICLE

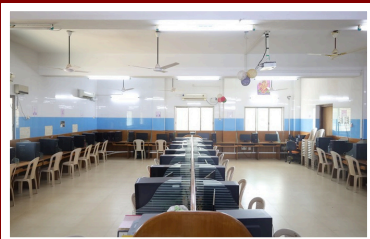

Through activities like chess, karate, silambam, vocal music, keyboard, western dance, and Bharathanatyam dance, students develop critical thinking, physical fitness, creativity, and self-expression. These enriching experiences help students discover their potential, build essential life skills, and grow into confident, well-rounded individuals.

**WHEN LEARNING CARES FOR THE WHOLE CHILD, GROWTH-BECOMES LIMITLESS.**

**BUILDING SPACES THAT INSPIRE LEARNING AND GROWTH**

## FOUNDATIONS OF THE FUTURE

Our school infrastructure includes a well-equipped computer lab, science lab, playroom, library, and safe transport facilities, ensuring comfort and convenience for students. Set within a wonderful natural environment, our campus supports academic excellence, safety, and holistic growth.

# A HOLISTIC APPROACH - SHAPING CONFIDENT LEARNERS

Our holistic development programme nurtures students' physical, mental, and emotional well-being through activities like yoga, Zumba dance, walking, regular water breaks, and bhajan. These practices promote mindfulness, fitness, balance, and inner peace, helping students grow into healthy, focussed, and confident individuals.

# A Quarter Century of Excellence: Reflecting on 25 Years of Vidhyalakshmi School

Twenty-five years ago, Vidhyalakshmi School began as a modest vision—a commitment to provide a nurturing environment where young minds could flourish. Today, as we celebrate our Silver Jubilee, we stand not just as an institution of learning, but as a cornerstone of our community. As Principal, looking back at this journey fills me with immense pride and profound gratitude. A school is much more than bricks and mortar; it is a living, breathing entity shaped by the dreams of its students and the dedication of its educators.

Honouring our foundations in our founding year we started with a handful of students and a clear mission: to foster holistic development. We believed then, as we do now, that education should transcend textbooks. Over the last two decades, we have evolved from traditional classrooms to integrated digital learning spaces, ensuring our students are prepared for an ever-changing world.

## Milestones of Success

### Our 25-year journey is marked by significant triumphs:

**Academic Brilliance:** Year after year, our students have secured top honours in board examinations and competitive trials.

**Athletic Prowess:** From local tournaments to national championships, our athletes have displayed the true spirit of sportsmanship.

**Creative Expression:** Our arts and music programmes have blossomed, producing individuals who see the world through a lens of empathy and creativity.

**Alumni Impact:** Our greatest legacy is our alumni. Today, they are doctors, engineers, entrepreneurs, artists, and in plenty other careers contributing to society across the globe.

**The Heart of Vidhyalakshmi School:** Our People

This milestone belongs to the entire Vidhyalakshmi School family.

**To our Teachers:** You are the architects of the future. Your patience and passion have ignited curiosity in thousands of hearts.

**To our Parents:** Thank you for trusting us with your most precious treasures. Your partnership has been our greatest strength.

**To our Students:** You are the reason we strive for excellence. Your energy and resilience keep this institution young.

**Looking Towards the Horizon:** While the Silver Jubilee is a time for reflection, it is also a launch pad for the future. As we move forward, we remain committed to innovation, inclusivity, and integrity. We aim to deepen our focus on sustainability and emotional intelligence, ensuring our graduates are not just successful professionals, but compassionate global citizens.

The flame that was lit 25 years ago burns brighter than ever.

Together, let us continue to "Soar Higher and Serve Better."

Happy 25th Anniversary to Vidhyalakshmi School!

## THE HAPPIEST SILVER JUBILEE CELEBRATION

VIDHALAKSHMI MATRIC HR. SEC. SCHOOL has witnessed 25 years of extraordinary educational journey with a proud history and impressive achievements with the gracious blessings of our Founder, Shri D. Shanmugam, and Vice Correspondent, Smt. A. Arivukkarasi. Educational Service to the society is the direct blessing of the God. Education shapes the character, calibre, and future of an individual by instilling values, developing critical thinking, and building skills essential for life. It influences how a person thinks, acts, and contributes to society, laying the foundation for personal growth and professional success.

Our school has always remained committed to its motto of "Fostering a spirit of hard work, pursuing studies with utmost dedication, and being a model of virtue for others". Through a balanced focus on academics, co-curricular activities, and value-based learning, the institution strives to shape students into confident, compassionate, and capable individuals. The guidance of dedicated teachers and the encouragement of a supportive environment inspire students to aim high and work sincerely toward their goals.

As the saying goes, "When wealth is lost, nothing is lost; when health is lost, something is lost; but when character is lost, everything is lost." This timeless wisdom highlights the importance of strong moral values above all else. Our school believes that success without character is incomplete, and therefore aims to shape students into responsible, honest, and principled individuals.

By instilling discipline, perseverance, and ethical values, our school prepares students not only for examinations but for life. It continues to nurture young minds who will grow into confident individuals and responsible citizens, ready to shape a better future for society.

The dedicated teaching and non-teaching staff, whose contributions are unforgettable, have been instrumental in the growth of the Vidhyalakshmi Group of Schools. Every member of this institution receives parental affection, love, and kindness from our respected Correspondent, Shri Ashokkumar, and our Managing Director, Dr. M. A. Vidhyalakshmi, MBBS. Our Managing Director, a dedicated medical professional, extends selfless service to the community, reflecting a deep commitment to both education and healthcare.

**Excellence in  
Education,  
Commitment in  
Action**

The ultimate goal of education is to make a person good human being, a useful citizen. This cannot be achieved merely by teaching but by influencing the students through characters.

I am honoured to be part of this significant milestone as Vidhyalakshmi Matriculation Higher Secondary School commemorates its Silver Jubilee with this 25<sup>th</sup> Annual Souvenir Magazine. It provides a powerful medium to reflect their lofty values and aspirations. Our school remains strongly committed to moral values and character development, maintaining a high academic and cultural profile.

I am indeed privileged to be associated with such a unique institution. I look back with wonder, joy, and pride at the twenty-five years that have passed; a journey where we have learned, shared, and grown together as a team. It has been an amazing journey, and I extend my heartfelt thanks to our Primary Wing parents for their steadfast support. We, the Primary Wing staff at Vidhyalakshmi Matriculation Higher Secondary School, strive to nurture every child into a confident and self-reliant individual. We exhort our students to remain modest, humble, and disciplined, while always expanding the horizons of their knowledge and skills by dreaming big and working hard.

I have no doubt that the dedication shown through the remarkable teamwork of the entire Primary Wing—both teaching and non-teaching staff—will continue to fulfill our Founder's dream of nurturing truly worthy human beings.

On behalf of the Primary Wing, I wish our esteemed Management even greater heights of glory as we celebrate this Silver Jubilee and look forward to the many successful years to come.

## BE UNSTOPPABLE

I am Divya, the Graphic Designer for Vidhyalakshmi Group of Schools, raised in a home where creativity and discipline shaped my worldview. My father is an artist whose imagination inspired expression, while my mother, a Government Teacher, instilled in me the values of dedication and discipline. Growing up with two siblings, I learned early that while family support matters, education and financial independence remain the strongest foundations for every woman.

My journey wasn't easy. I struggled with finding clarity in my career, faced challenges at work, and battled with self-doubt. But slowly, I discovered the seven qualities that shaped my life

I learned that clarity gives direction, confidence grows through struggle, communication builds identity, and creativity helps us create our own unique version. Real success starts when we are willing to change from within. Consistency makes dreams a reality. And commitment turns women into unstoppable forces.

### IMPORTANT C'S FOR WOMEN

It gives me immense joy to write a message for the Silver Jubilee souvenir of our School. It is a matter of great pride to see this souvenir that chronicles our achievements for the past quarter century. The school has a distinguished legacy of 25 years in the field of students empowerment and education –an ideal that remains the guiding principle of the governance and management of the school.

As I look ahead, I can visualize our institution growing by leaps and bounds in academic pursuits, moral qualities, and higher standards of excellence. More than just academics, I concentrate on their overall development with a positive and ethical approach towards their future. I believe that participating and engaging them in various competitions will keep their interest alive and pave a path for their successful career.

Our Institution will continue to serve an important role in higher education for students of Vidhyalakshmi and in the service of our nation. I extend my warm greetings and sincere best wishes for the grand success and enthusiastic reception of the souvenir.

**Cyber Security for Young Minds**

In today’s world, the internet is like a second classroom. We use it to learn, play games, watch videos, chat with friends, and explore new ideas. While the digital world is exciting and full of opportunities, it is also important to understand how to stay safe in it. This is where Cyber Security comes in. So,

**what is Cyber Security?**

Cyber Security simply means protecting our devices, personal information, and online activities from people who try to misuse them. Just like we lock our homes and keep our valuables safe, we also need to protect ourselves online.

**Why should students care about Cyber Security?**

Think about how much time you spend online every day. Your photos, messages, school projects, and even passwords are stored digitally. If someone gets access to them without permission, it can cause problems like data loss, online bullying, or identity misuse. Learning cyber safety early helps you become a responsible and confident digital user.

**Ask yourself:**

- Do I share my passwords with friends?
- Do I click on links without checking where they lead?
- Do I accept friend requests from people I don’t know?

If your answer to any of these is “yes,” don’t worry. This article is here to help you improve.

**Simple Cyber Safety Tips for Students:**

1. Create strong passwords – Use a mix of letters, numbers, and symbols. Avoid using your name or birthdate.
2. Think before you click – Not every link or message is safe. If it looks strange, ignore it.
3. Keep personal details private – Your address, phone number, school name, and passwords should never be shared online.
4. Be kind and careful online – Words typed online have real effects. Respect others and report bullying.
5. Update your devices – Updates help fix security problems and keep your devices safe.

**Cyber Security as a skill for the future**

Cyber Security is not just about staying safe; it is also a growing career field. Many young people today are becoming ethical hackers, security analysts, and digital safety experts. Who knows? Your interest in cyber safety today might turn into your profession tomorrow.

**IRENE JEVAKUMARI K**  
M. Sc., M. Phil., B.Ed.,  
Vice Principal (NON-ACADEMIC)

A final thought for young readers The internet is a powerful tool. When used wisely, it can help you learn, grow, and connect with the world. By practicing good cyber habits now, you are protecting not just your data, but your future. Stay curious. Stay smart. Stay safe online.

**From Dreams to achievements 25 years of educational Brilliance.**

**Best Wishes GENIUS BOOKS**

To the Correspondent / Managing Director / Principal /Teachers and Students of the Esteemed school ,

I sincerely congratulate each and every one of you , on the Silver jubilee anniversary of your wonderful school! The achievements and victories over the years have made this school a true educational leader in the field of education and upbringing.

Everyone who is associated with the school has their own stories and memories from its walls, which help to form as individuals and professionals. I wish the school stability and prosperity, and I wish the students talented mentors who will help them reach new heights and open new horizons.

Let this silver jubilee of the school become a manifestation of its professionalism and responsibility to all those associated with the school, giving new strength for further development and expansion of knowledge and opportunities. I wish health, happiness and well-being to the students and the entire team of this esteemed school.

We at Genius Books are happy to be associated with this esteemed school and in supporting the students and teachers in all their educational endeavour’s .We hope to continue this relationship into the coming years. Warm Regards

From my very first tiny steps in LKG to standing strong in 10th standard, my journey was shaped within the walls of my school. It didn't just teach me lessons from books, but values for life. Every discipline I carry today, every strength I hold, is a gift from those classrooms. Each corridor echoes with memories that time can never erase—moments of growth, challenges, laughter, and learning that built the person I am today. My school will always remain the foundation of who I've become.

I carry immense gratitude, pride, and love for my school, the management, my teachers and my friends, and the management who together created an environment where students could flourish. Once a student of this school, always a proud student of this school.

What I am today is deeply rooted in my school. It was not just a place of education, but the foundation where my character was shaped, my discipline was built, and my values were refined. Every lesson went beyond textbooks, teaching me resilience, humility, and confidence.

Through sports, my school taught me the true spirit of sportsmanship—strength with grace, competition with respect, and leadership with integrity. On that ground, I did not just participate; I learned to stand tall, composed, and fearless—like a queen, carrying dignity in both victory and defeat.

I will always remain grateful to my school for moulding me into the person I am today—strong in spirit, grounded in values, and confident in purpose.

Greetings to all VLMS family,

I, Hemavathy, feel deeply honored to share a few words as an alumna of Vidhya Lakshmi Matric Higher Secondary School, where I completed my 10th standard in the year 2015. As I reflect upon my school days, I realize that those formative years were not merely a phase of learning but a powerful foundation that shaped my discipline, confidence, and outlook on life.

The strong academic base and values imparted by my respected teachers played a pivotal role in guiding my journey ahead. With their constant encouragement and dedication, I went on to pursue and successfully completed my Bachelor of Engineering in Computer Science and Engineering. Today, I am proud to be working as a Software Engineer, a milestone that would not have been possible without the guidance I received from my school.

I remain forever grateful to my teachers for their unwavering support, patience, and belief in me. Their lessons continue to inspire me even today, both professionally and personally.

To all the present students, I would like to say—cherish your school days, stay committed to your goals, and always believe in your potential. The values you gain here will remain your strongest guide in every phase of life.

I take immense pride in being a part of the VLMS family and will always carry this institution in my heart. I wish the school continued excellence and every student a future filled with success and fulfillment.

## Celebrating National Excellence in the Under-16 Category

To be a writer is to see the world through a prism of endless possibilities.

When we look back at the last 25 years, many moments stand out tall. The year 2016, was the year V. Acharya Samudra proved that age is no barrier to depth, becoming a National Balashree Awardee in Creative Writing before he had even turned sixteen.

### Young Voice, Timeless Stories

Competing in the Under-16 category, Samudra faced the nation's brightest young minds. The National Balashree selection process is famous for its "Creative Psychological Tests" and "On-the-Spot Writing" challenges. Samudra's victory was not just a win for him, but a validation of the creative environment we strive to provide.

### The Silver Jubilee Legacy

As we celebrate our 25th anniversary, Samudra represents the "Golden Standard" for our students. His journey reminds us that a teenager with a pen and a dream can capture the attention of the President of India and the entire nation.

He remains an inspiration for every student who is in our today, sketching out their first draft or dreaming of their first protagonist.

**CONFIDENCE TO GROW**

Those school days—filled with scribbled homework, nervous tests, strict DRT hours, and shared 35s memories as one unit—once felt overwhelming. But today, as we celebrate our Silver Jubilee, they sparkle as the stories we smile about the most.

It gives us immense joy and pride to extend our warmest wishes to Vidhyalakshmi School on its remarkable Silver Jubilee Celebration. Completing twenty-five years of dedicated service in education is a milestone that reflects the school's visionary leadership and unwavering commitment to nurture young minds. Over the years, Vidhyalakshmi has blossomed into a dynamic centre of learning where academic excellence harmoniously blends with values, discipline, and character formation.

As you celebrate this Silver Jubilee, may the legacy of excellence continue to shine even brighter in the years ahead. May Vidhyalakshmi School progress with renewed energy, shaping generations of compassionate, skilled, and responsible individuals who will contribute meaningfully to society.

As the school steps into the next beautiful phase of its journey, we sincerely wish that the Institution continues to grow with the same spirit, dedication, and love that have shaped it all these years. May the school keep embracing new ideas, modern teaching practices, and creative approaches that help every child discover who they are and what they can become. We truly hope that the entire Vidhyalakshmi family and the stakeholders keep working hand in hand to build a learning environment filled with joy, curiosity, and confidence. May the years ahead bring new successes, meaningful experiences, and memorable milestones that enrich the lives of every student who walks through its doors.

We earnestly hope that Vidhyalakshmi School continues to flourish as a beacon of knowledge and inspiration, enriching countless lives and contributing to a brighter, more enlightened future. On behalf of Marudhar Kesari Jain College for Women, we extend my heartfelt congratulations to Vidhyalakshmi School and wish the institution continued success, growth, and glory in the years ahead.

**Kaviya Vijayakumar**  
MCA  
2020 Batch

Greetings to everyone,  
I am Kaviya Vijayakumar from the 2020 batch, and I had the honour of spending four unforgettable years in VLMS School. When I look back, I realise those years were far more than schooling—they were a journey that shaped my personality, nurtured my confidence, and guided me towards the person I am becoming today.

Every classroom I sat in, every corridor I walked through, every teacher who guided me, and every friend I laughed with—all hold a special place in my heart. VLMS was not just an institution for me; it was a space where I discovered myself, learned to dream bigger, and understood the true meaning of growth.

My teachers played an invaluable role in guiding and shaping my life. Their words still stay with me even today, reminding me to stay grounded and keep moving forward.

To all the present students — cherish these days. Make memories, learn with passion, and trust in your journey. These moments may pass, but the lessons and values you receive from VLMS will always guide you wherever you go.

I feel proud to call myself a VLMS student, and my heart is always connected to this school.

Wishing the school more success and each student a future filled with happiness and achievement.

My school journey's been a wild ride—  
From scribbling the alphabet to acing exams,  
Every page turned taught a lesson in curiosity.  
My school days flew like a colourful kite,  
Friends, lessons, dreams—a joyful flight.  
Mistakes were steps, victories the cheer,  
Today's roots shape tomorrow's year.  
With chalk and hearts, this chapter is done,  
And the next great adventure has just begun!

This school is not just a place where I studied, it is where I became who I am today. Yes, I am Jagadeeshwar. M from 2024 batch. I studied here from 4th standard to 12th standard, and these years shaped my character, my discipline, and my dreams. Excelling in both academics and sports here has transformed me into a better version of myself. During my 12th standard, I secured a strong JEE Mains score with a 75% aggregate in PCM. This qualified me to apply for the 10+2 Technical Entry Scheme (TES) for the Navy Executive Officer post. Out of over two lakh applicants across India, I was one of the few candidates shortlisted after meeting the rigorous cutoff criteria. I received an official call-up letter from the Indian Navy for the SSB Interview in Bhopal, Madhya Pradesh.

2024 Batch

I prepared diligently and faced the interview with courage. I am proud to share that I secured the 8<sup>th</sup> rank out of 297 candidates from various states during the Stage-1 screening process. Furthermore, I was the only candidate from Tamil Nadu selected to proceed through the rigorous four-day evaluation to the final stage. It was truly a proud moment for me. This remains one of the greatest achievements of my life, made possible by the strong foundation laid by my teachers and my school. On this Silver Jubilee celebration, I express my heartfelt gratitude to my school, my teachers, my well-wishers, and everyone who guided me. I will always carry the values of this institution in my heart. Thank you!
